[glassfusingartist@sbcglobal.net](mailto:glassfusingartist@sbcglobal.net)

This course provides the skills, knowledge, and experience to teach warm glass fusing techniques and projects in the art classroom. The student will complete a series of five glass fusing projects designed for classroom implementation. The history of art glass will be covered. Students will develop grading rubrics and learn how to find financial support for projects through grant writing.

The fee for this course includes one hour of graduate credit, the instructional fee and a materials/resources fee.

*Please contact instructor immediately to reserve a seat in the class with your instructional fee payment of \$150.00* Phone 216-521-8939 email [glassfusingartist@sbcglobal.net](mailto:glassfusingartist@sbcglobal.net)
